# Taking the EU to Court

Annulment Proceedings and Multilevel Judicial Conflict

Series: Palgrave Studies in European Union Politics

- Provides a comprehensive and systematic analysis of EU annulment actions to date
- Contributes to the study of the role of judicial conflicts in the EU and, more broadly, to the role of law and its contestation in the evolution of the EU
- Combines qualitative and quantitative insights to explore EU annulments from a political perspective

This book provides an exhaustive picture of the role that annulment conflicts play in the EU multilevel system. Based on a rich dataset of annulment actions since the 1960s and a number of in-depth case studies, it explores the political dimension of annulment litigation, which has become an increasingly relevant judicial tool in the struggle over policy content and decision-making competences. The book covers the motivations of actors to turn policy conflicts into annulment actions, the emergence of multilevel actors' litigant configurations, the impact of actors' constellations on success in court, as well as the impact of annulment actions on the multilevel policy conflicts they originate from.

#### About the Authors:

**Christian Adam** is Assistant Professor at the Geschwister Scholl Institute for Political Science, Ludwig Maximilians Universität München, Germany.

**Michael W. Bauer** holds the Jean Monnet Chair for Comparative Public Administration and Policy Analysis at the German University of Administrative Sciences Speyer. He is also a part-time professor at the School of Transnational Governance, European University Institute, Florence, Italy.

**Miriam Hartlapp** is Professor of Comparative Politics: Germany and France at the Freie University Berlin, Germany. She previously held chairs at Leipzig (2014–17) and Bremen University (2013–14) and worked at the Max Planck Institute for the Study of Societies in Cologne.

**Emmanuelle Mathieu** is Lecturer at the University of Lausanne, Switzerland. Previously, she was a Marie Curie research fellow at the Barcelona Institute for International Studies, Spain.
